How to Delete Your Logtivity Account

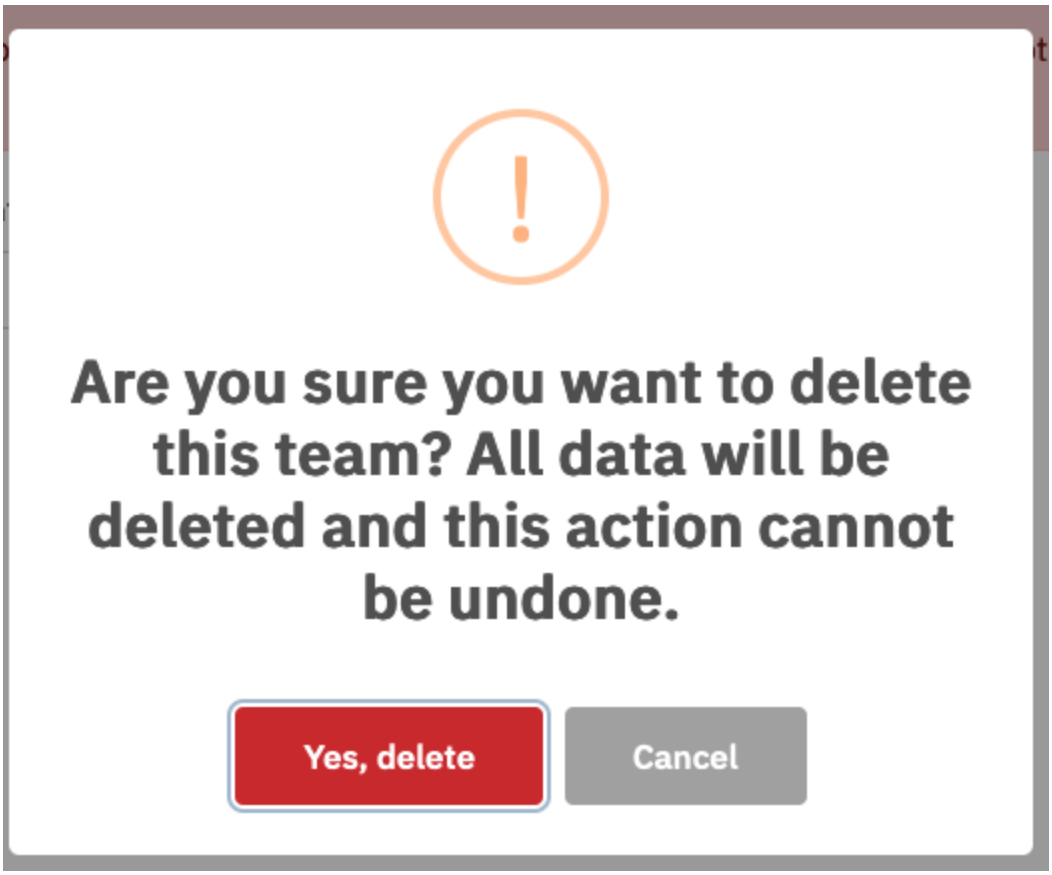

Accounts / Plans · https://logtivity.io/docs/delete-account/

If you want to remove all your data from Logtivity, you can delete your account.

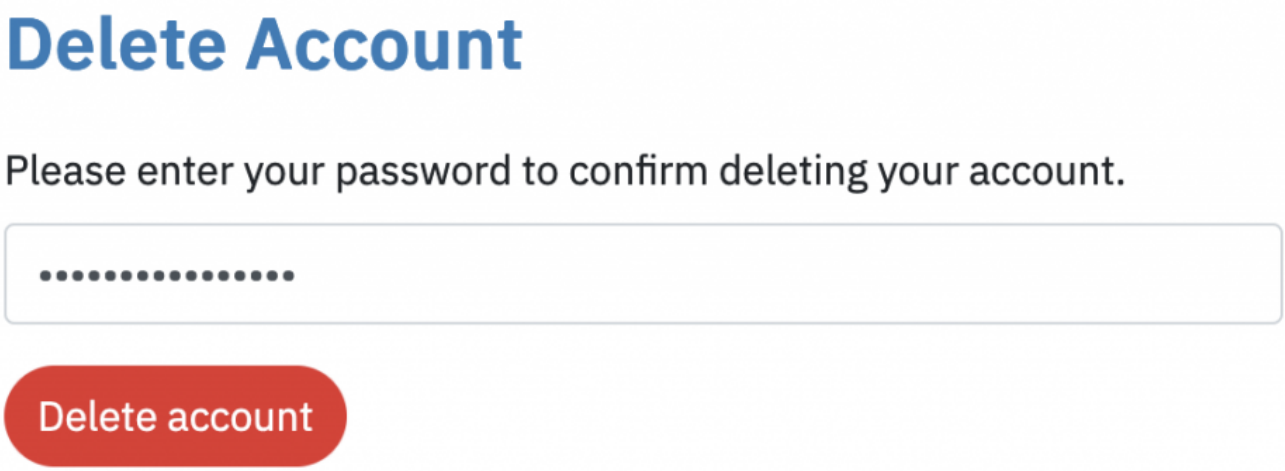

First, you will need to delete any team for which you are the owner. You can delete team by visiting "Team Settings" then "Delete Team". On that screen, you will be asked to enter your password and then click "Delete Team":

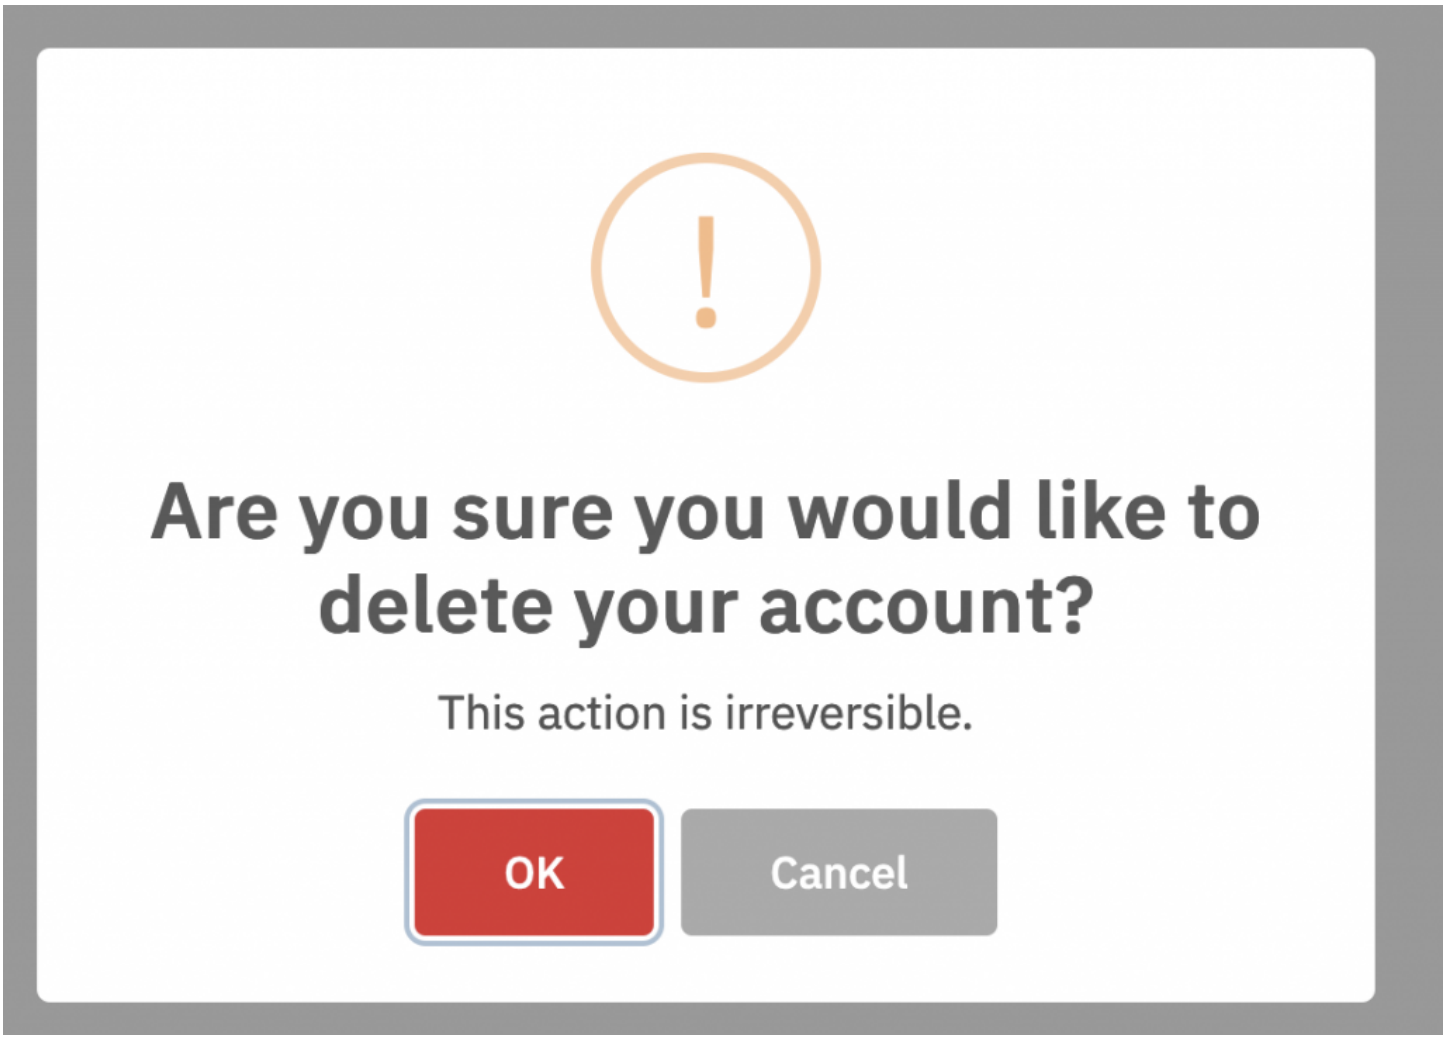

Logtivity will then ask you to confirm your decision:

The next step is to delete your account. You can do that by clicking on your name, then "Delete Your Account".

Again, Logtivity will ask you to confirm that you really want to complete the deletion process.

Are you sure you would like to delete your account?
This action is irreversible.
